About this issue . . .

JID is making the transition to a new editor and a new set of editorial and selection procedures. This issue contains articles chosen under the old and the new.

which contains extra reviews and ERIC reports, covering many important works in the field.

To make space for an abundance of interesting articles, recent issues of JID have slighted book reviews and ERIC reports on ID—two of our most popular features. We make up for it in this issue,
